NANTES !
SAINT-NAZAIRE !

Two names for a shared territory that rocks Western France. Today more than ever, Nantes Saint-Nazaire is spreading its wings. We invite budding Jules Vernes, super-achievers, visionary entrepreneurs, people who love living local and who want to enjoy the good life to move to this land of opportunity.

WELCOME TO WHERE
AUDACITY THRIVES!

NANTES SAINT-NAZAIRE DEVELOPMENT FACILITATES YOUR PROJECTS

The Nantes Saint-Nazaire Economic Development Agency team is there to make it easy for you!
• We seek out a land or property solution to match your needs
• We introduce you to the essential local networks and professionals that will help develop your business: recruitment firms, educational establishments, clusters, business clubs, etc.
• We provide you with the economic data that will facilitate your decision-making

YOUR EMPLOYEES WILL FIND IT EASY TO MAKE THEMSELVES AT HOME
• Our team will be there to welcome those employees that will be moving with you, whether nationally or internationally.
• Your employee and their family will enjoy personalized support: helping find schools, a job for the spouse, and accommodation.
• International newcomers can get special support and guidance, tailored to their needs.

AUDACITY! THIS IS THE PERSONALITY TRAIT THAT BEST DEFINES THE NANTES SAINT-NAZAIRE REGION. A REGION THAT HAS LONG BEEN OPEN TO THE WORLD, AND HAS PROVEN ITS ABILITY TO REBOUND MANY TIMES OVER. HOW? THANKS TO ITS EVERYDAY INVENTIVENESS AND CREATIVITY, IN EVERY FIELD OF ACTIVITY! HERE, PEOPLE FEEL FREE TO DARE, TO REINVENT THEMSELVES AND RISE TO CHALLENGES. INNOVATION IS CARRIED BY A COMMUNITY THAT IS ECONOMIC, POLITICAL, SPORTY AND CULTURAL, WELCOMING AND CONFIDENT IN THE FUTURE. OUR ECOSYSTEM WILL BE THE WIND BENEATH YOUR WINGS!
Deciding aircraft construction forward, Airbus proactivity benefits subcontractors, who are increasingly choosing to make Saint-Nazaire or Nantes their base.

Airbus, along with its main partners (Spirit Aerosystems, Boeing, and others), is committed to the region. It has established a major industrial site in Saint-Nazaire, which is now a leading player in the aeronautical industry.

In particular, Airbus and its partners have made significant investments in the region, including the establishment of a new headquarters for the company’s global operations.

Other world-class players, such as Dassault Aviation, Daher, and other leading manufacturers, have also established significant operations in Saint-Nazaire.

The region has become a hub for innovation, with a number of leading companies having established operations there.

In addition to these major players, the region has a strong startup ecosystem, with a number of innovative companies emerging from the local market.

The region is also home to a number of leading universities and research institutions, which contribute to the region’s strong research and development capabilities.

The region’s strong R&D infrastructure, combined with a supportive government and local authorities, has made it an attractive destination for companies looking to establish operations in the region.

In summary, Saint-Nazaire has become a major player in the aerospace industry, with a strong ecosystem of companies, universities, and research institutions, and a supportive government and local authorities.

This has led to the development of a number of key infrastructure projects, including the establishment of a new airport, the development of a new industrial park, and the establishment of a new research and development center.

The region is also home to a number of other key infrastructure projects, including a new university campus, a new hospital, and a new transportation hub.

In summary, Saint-Nazaire has become a major player in the aerospace industry, with a strong ecosystem of companies, universities, and research institutions, and a supportive government and local authorities. The region is home to a number of leading companies, and a number of other key infrastructure projects are also underway.
